

Interview Scene

****copy and paste questions into your own document, include your name/class/block**

*(Come up with an interview scene where you are both playing **characters that are not yourselves**. You will have an opportunity to be both the interviewer and the interviewee. ****For the script you write you are the interviewee!**)*

Tips:

-The interviewer can be as interesting as the interviewee

-Don't waste time with boring/general questions, start from a specific viewpoint or have an interesting newsworthy item to discuss

Example:

boring/general: *Who are you?*

Interesting: *I'm here with Doctor Flugenhammer and he is going to discuss his amazing age reversing formula creating from rotting banana peel extract!*
